McGuire's vs. High School To-Day.

McGuire's University School baseball
team will end its season to-day at
Broad Street Park with the strong
John Marshall High School team. McGuire's has had a very successful
season, winning most of its games and
again capturing the city preparatory
school championship.

The game this afternoon is expected
to be a rather close one, if anything
can be told from the previous games,
McGuire's won both of these, but the
scores were 3 to 2 and 11 to 10, so
there is little on which to pick a
winner. The game will start promptly
at 4 o'clock.

An interesting game will be played Friday afternoon at 3 o'clock between Cohen Company and Highland Springs. "Dan" Stern will pitch for the Cohen Company, and much is expected of hin, as he is in fine condition and working good. Manager Moore, of Cohen Company, has whipped his team into fine condition. The team is expected to show up in fine form. The game will be played on the Highland Springs diamond.

Little Americans Win.

The Tigers and the Little Americans battled for nine innings yesterday to a 2 to 6 finish in favor of the Little Americans. No runs were made up to the sixth inning, when the Little American batters found McGuffin for four hits, which netted two runs. On Wednesday night a drama, the production of one of the teachers, will be given. The biennial meeting of the alumni association will begin at 4:30 oclock Thursday afterneon, and at night the annual contest in clocution will be held. These exercises will be attended by a large number of the graduates and former students of the graduated with appropriate exercises. If the weather is favorable, it is likely that the usual large crowds from Petersburg and from other communities at convenient distances from the school will journey here to hear the addresses and inspect the industrial exhibits.

A number of material improvements were made on the school property during the past year, the farm yield has been large, and the student enrolment has been larger than at any time since the disastrous fire of five years ago.
